No. F4(IV) Dag/IMP/2016-17/ 3454

dated 15.10.2016

ADDENDUM-II

In continuation to EOI No. F4(IV) Dag/IMP/2016-17/2672 dated 17.9.2016, Corrigendum even no. 3208 dated 5.10.2016 & 3331 dated 9.10.2016 & Addendum even no. 3453 dated 14.10.16. Selection Criteria of the bidders is further clarified as under:

1. As per point no. - 3 of referenced addendum, every bidder will be required to make a power-point presentation before a committee. The committee will judge the proposal of bidder on a scale point and will provide a ranking to all bidders.
2. The highest rank holder will get to select one agro climatic zone of his choice. Then, the next ranker will get to select one zone from the remaining zones and so on.
3. If number of successful bidders is less than the numbers of zones, then round, will come back to first ranker to choose again from the remaining zones after all of them have made a choice and so on.
4. After every zone is chosen, another round shall be made allowing for choice of zone in same manner as above to become second bidder for that zone. This way, every zone can potentially have 2 bidders operating. If a zone has 2 bidders working, every bidder shall be entitled to subsidy for up to half the total number of blocks in that zone.
