1. Bids shall remain valid for a period of three months after the bid submission deadline date prescribed by the ROCL, Jaipur. It can be further extended by the ROCL after mutual consent.
2. Prior to the expiry of the period of validity of Bids, the procuring entity, in exceptional circumstances, may request the bidders to extend the bid validity period for an additional specified period of time. A bidder may refuse the request and such refusal shall be treated as withdrawal of Bid and in such circumstances bid security shall not be forfeited.
3. Bidders that agree to an extension of the period of validity of their Bids shall extend or get extended the period of validity of bid securities submitted by them or submit new bid securities to cover the extended period of validity of their bids.
4. A bidder whose bid security is not extended, or that has not submitted a new bid security, is considered to have refused the request to extend the period of validity of its Bid.

1. The signatory authority shall initial (sign) all pages of the Technical Proposal and Financial Proposal submitted, which shall be deemed as acceptance of terms and conditions of bid mentioned on that page.
2. The Bidder shall prepare one set of support documents for technical proposals and submit the same in Envelope 'I' marked as "TECHNICAL PROPOSAL".
3. The Bidder shall also prepare one set of support documents for financial proposals and submit the same in Envelope 'II' marked as "FINANCIAL PROPOSAL".

The Bid opening shall take place in the presence of Bidder's representatives who choose to attend, at the address, date and time as specified in the Bid Document.

If a Technical Proposal is not substantially responsive it will be rejected by the ROCL, Jaipur, conditional bids would be
deemed to be not substantially responsive, and shall be rejected by ROCL.

3. A substantially responsive Technical proposal is one, which conforms to all the terms, conditions and specifications of the bidding documents.

4. The Financial Bid cover shall be kept unopened and shall be opened later on the date and time intimated to the bidders who qualify in the evaluation of technical bids.

5. To assist in the examination, evaluation, comparison and qualification of the Bids, the bid evaluation committee may, at its discretion, ask any bidder for a clarification regarding its Bid. The committee's request for clarification and the response of the bidder shall be in writing.

6. Any clarification submitted by a bidder with regard to its Bid that is not in response to a request by the committee shall not be considered.

7. No change in the prices or substance of the Bid shall be sought, offered, or permitted, except to confirm the correction of arithmetic errors discovered by the committee in the evaluation of the financial Bids.

8. No substantive change to qualification information or to a submission, including changes aimed at making an unqualified bidder, qualified or an unresponsive submission, responsive shall be sought, offered or permitted.

9. If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected, unless in the opinion of the bid evaluation committee there is an obvious misplacement of the decimal point in the unit price, in which case the total price as quoted shall govern and the unit price shall be corrected.

10. If there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected.

11. If there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error.

12. ROCL reserves the right to consider even a single substantially responsive bid.

13. Lack of competition: A situation may arise where, if after evaluation of Bids the bid evaluation committee may end-up with one responsive Bid only. In such situation, the bid evaluation committee would check as to whether while floating the NIB all necessary requirements to encourage competition like standard bid conditions, industry friendly specifications, wide publicity, sufficient time for formulation of Bids, etc were fulfilled. If not, the NIB would be re-floated after rectifying deficiencies. The bid process shall be considered valid even if there is one responsive Bid, provided that: - the Bid is technically qualified; the price quoted by the bidder is assessed to be reasonable; the Bid is unconditional and complete in all respects; there are no obvious indicators of cartelization amongst bidders; and the bidder is qualified as per the provisions of pre-qualification/eligibility criteria in the bidding document.

The bid evaluation committee shall prepare a justification note for approval by the next higher authority of the procuring entity, with the concurrence of the accounts member.

In case of dissent by any member of bid evaluation committee, the next higher authority in delegation of financial powers shall
decide as to whether to sanction the single Bid or re-invite Bids after recording reasons.

If a decision to re-invite the Bids is taken, market assessment shall be carried out for estimation of market depth, eligibility criteria and cost estimate.

14 Notification of Award
1. The Procuring entity reserves the right to accept or reject any Bid, and to annul (cancel) the bidding process and reject all Bids at any time prior to award of contract, without thereby incurring any liability to the bidders.
2. Repeat orders for extra items or additional quantities may be placed on the rates and conditions given in the contract.
3. The Bidder whose Bid is found acceptable shall be notified of the award by ROCL, prior to the expiry of the bid validity period, through a Letter of Acceptance. This letter will state the sum that the ROCL, Jaipur will pay to the Contractor in consideration to task assigned to him.

15 Payment
1. Monthly payment shall be made after submission of bills and verification of tasks.

16 Time Limit and penalty clause
1. Normal working hours are 9.00 AM to 5.00 PM.
2. Works can be performed early morning, late evening or during night depending on the nature of tasks.
3. Delay in completion of tasks shall be liable to a financial penalty.

| Delay up to one fourth period of the prescribed delivery period | 2.5% |
| Delay exceeding one fourth but not exceeding half of the prescribed delivery period | 5% |
| Delay exceeding half but not exceeding three fourth of the prescribed delivery period | 7.5% |
| Delay exceeding three fourths of the prescribed delivery period | 10% |

If a Force Majeure situation arises, the selected bidder shall promptly notify ROCL in writing of such conditions and cause thereof within 15 days of occurrence of such event. Unless otherwise directed by ROCL the supplier/ selected bidder shall continue to perform its obligations under the contract as far as reasonably practical.

17 Sub-Letting of Contract
1. Any change in the constitution of the firm, etc., shall be notified forthwith by the contractor in writing to the Purchase Officer and such change shall not relieve any former member of the firm, etc., from any liability under the contract.
2. No new partner/partners shall be accepted in the firm by the contractor in respect of the contract, unless they agree to bind by all its terms, conditions and deposit with the Purchase Officer a written agreement to this effect.
